

What is the Sports Premium?

The Sports Premium was introduced by the government to build on the Olympic legacy and enable schools to enhance sports and develop high quality curriculum PE. The funding is being provided jointly by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to schools to spend on improving the quality of sport and PE for all their children.

The funding has been provided to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

It is important to emphasise that the focus of spending must lead to long lasting impact that will live on well beyond the Primary PE and Sport Premium funding.

At Queen Boudica, our vision for the development of PE and Sport include the following:

- 1) The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles
- 2) The profile of PE and sport being raised across the school as a tool for whole school improvement
- 3) Increased confidence, knowledge and skills of all staff in teaching PE and Sport
- 4) Broader experience of a range of sports and activities offered to all pupils
- 5) Increased participation in competitive sport
